- Reps statement on website -:

- Representations on the application may be submitted to Scottish Ministers via the Scottish Government Energy Consents Unit, either via the website at <https://www.energyconsents.scot/Register.aspx>; by email to representations@gov.scot; or by post to Scottish Government Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.
- Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations
- Comments submitted to applicant or agent will not form part of the formal application representations
- All representations should be received not later than XXX XXX 20XX although Scottish Ministers may consider representations received after this date.
